Очиститель следов насекомых “Insecto Clean”

“Insecto Clean”

Packages: bottle dispenser 450 ml

[EN] “Insecto Clean” 450 ml

The special cleaner instantly removes insect traces (stains, smudges, and sticky marks) from any surface: glass, plastic, metal, and lacquered finishes. Thanks to its powerful yet gentle formula, it does not damage materials and leaves no streaks.

HOW TO USE:

Spray the product on the dirty surface and spread it evenly with a soft sponge or microfiber cloth. Leave it on for 2-5 minutes. Rinse the surface with water. Wipe the surface dry. Repeat the process if the dirt is old or stubborn.

[RU] “Insecto Clean” 450 мл

Специальный очиститель моментально устраняет следы насекомых (пятна, разводы, липкие следы) с любых поверхностей: стекла, пластика, металла, лакированных покрытий. Благодаря мощной, но бережной формуле оно не повреждает материалы и не оставляет разводов.

СПОСОБ ПРИМЕНЕНИЯ:

Распылите средство на загрязненную поверхность, равномерно распределите средство на поверхности мягкой губкой или микрофиброй. Оставьте на 2-5 минут. Смойте загрязнения водой. Вытрите насухо обрабатываемую поверхность. Для устранения застарелых, въевшихся загрязнений повторите обработку.

Precautions: Avoid getting cleaner on the exposed areas. Wear protective gloves. In case of contact with eyes and mouth, rinse immediately with water and non-necessity consult a doctor. To remove the skin with soap. Dispose of waste cleaner in the designated areas. Do not disassemble or give to children. In case of contact with eyes, rinse with water.
